THE VISITATION

Three mortals, Lew, Meg, and David, stand above the track, gazing around despondently, when a flash of light occurs.

MEG. Hark! What light on yonder hill?

LEW. It is the sun.

DAVID. No, fool. 'Tis a Senior plodding his way to our noble institution with a flashlight in his gloved hand.

(Another flash—stillness—out of the ensuing fire comes a tall, bearded assemblage, trident and *Village Voice* in hand.)

MEG. What manner of man art thou?

BEARD. I am Beard, a former patron of this present establishment, come to revisit the grounds and see how all has fared.

LEW. By chance, went you to St. John's?
BEARD. Nay, I did not. But talk not of me, but
of yeselves. I must know everything that has
happened to you here. From appearances, you
are juniors.
MORTALS. Nay! Juniors not! We three be
Seniors!
DAVID. And proud of it.
BEARD. Scorn not the junior, for you were once
like he.
DAVID. Perish such malevolent thoughts.
BEARD. And before that you were . . .
LEW. Don't say it . . .

MEG. Remind us not. We have had done with the lonely track. Enough, enough I say; 'tis better to talk of it another day.

BEARD. So ye be Seniors. Well, by my beard, they grow the quantity younger every year. The senior class from which I came was the greatest spawned by this institution.

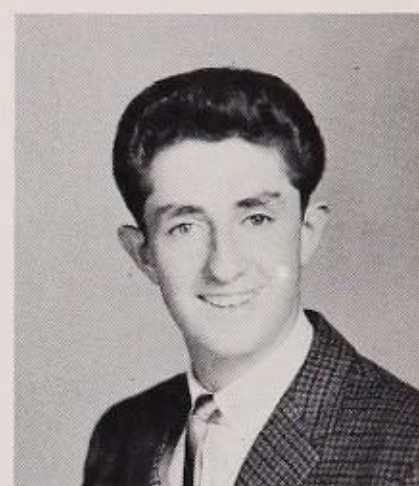

DAVID. What you say about your class is all well and good, but I dare say ours has the edge.

BEARD. That's a good one! Hah! I warrant you may be prejudiced, and I, too, but I, of right, am right.

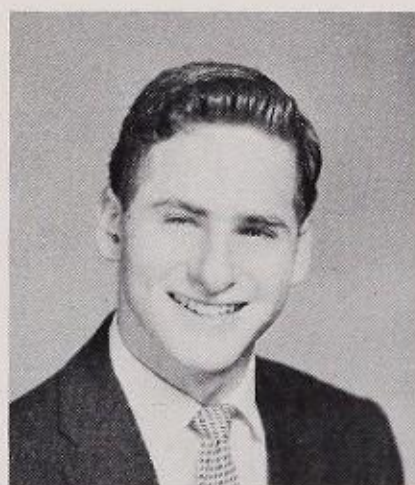

MEG. Nay, and we shall soon prove you false, for here comes our poet, Pote, who will detail to you all the qualities in us which make us what we are: Seniors.

LEW. Nay, he has been removed.

MEG. A sad, sad affair.

ing robe. She greets them.)

POTE. Hail, good friends and strangers. I am
bidden here to retell our history. Well then, tell
it I shall. But first let me quaff a draught of
Pepsi for my sociable side. Cheers!

POTE. Let us begin, please, at the beginning,
and we shall end with the commencement.
(reading and playing the lyre)
Juniors, Seniors, everybody come,
Come to Forest Hills and join in the fun;
Leave guitars and chewing gum outside the
door,

And you'll hear a lot of stories that you never
heard before.

If you study in Forest Hills
You're bound to see;
There's a whole new world
That's opening to ye;
The friends you make
And the teachers you bear;
And all the crazy happenings
A-happening there.

Our class had big boots to fill;
We started training early,
Watching Neil at folksings singing
Midst all the hurly-burly.
(When 'twas done, then the battle
was lost and won.)
Singing crazy on lawns, in basements,
At Jeannie's, Sandy's, or Ivy Bock's,
Michael Row, Hey Li Lee Li Lee,
Scorning all the roll and rock.
Fighting fiercely Harvard's Lehrer,
Dallying, Brand and Dalliance too,
Waiting for next the Weavers concert
Though Pete Seeger'd always do.
Folksy seemed we? We were, very;
Also quite a bit prosaic;
With literary competition
Scrapped the *Beacon*, i, *Mosaic*.

With our thinker-caps upon us,
Read we also *Forest Leaves*;
Potpourri gave us some trouble,
The *Daily News* kept us at ease.
Seventh period lunch was buzzing
With intellectual beer and skittles,
Defying marshals, deifying
Thirty-five-and-a-token victuals.
Period eight was something special,
Chock full of activities
POD (CP) and Play Pro,
Beacon fights and math-team bees.

Once upon a dreary hour
Pondered I: What's in the tower?
Is that the place they have the showers,
Or where they keep the secret flower
That rids the werewolf of his power?
So I went up there a-seeking
Just to do a little peeking,
But I heard one voice a-shrieking:
Gimme program card! Pulse a-quicking
Answered I: I'm a senior,
Looking for my lost Lenore.
BEARD. I laud you, Pote; your verse be better
than some and some, though not terse. Were
worse, I would, no doubt, lynch you.

BEARD. From description, your class were
naught but a gaggle of hedons.
Surely, this cannot be so. But tell me, what great
events occurred in your time?
What earthly wonders, man-made monuments,
feats of nature had place? These too make a
class a class.

DAVID. A class by any other name is still a class.

MEG. I'm getting nauseous.

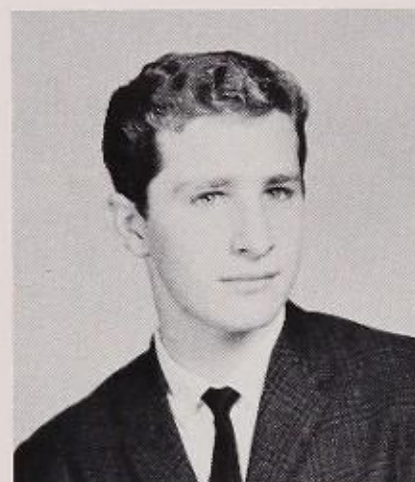

POTE. Events, then. But first a swig of Pepsi to
refresh the communal soul.

Just you name it, we have had it;

We've had almost anything

From plays to concerts, talent shows,

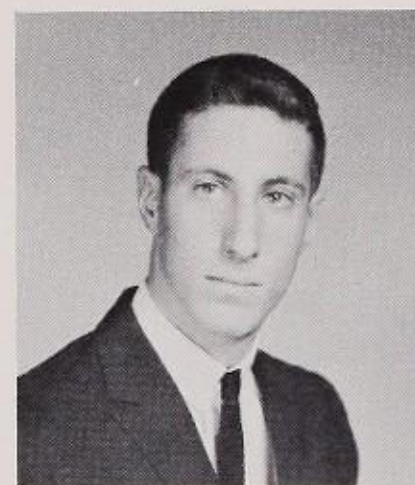

Art exhibits, even Sing.

Misunderstandings not withstanding
Turned we it into a ball;
Singing folksongs after the show—
A great time was had by all.
Ill attended GO dances
Advertised throughout the halls
Helped deplete GO finances,
So we bought more tennis balls.
Came elections in June '60,
Candidates prancing come and gone;
Posters, tags, speeches, slogans,
Guaranteed to make you yawn.
Power politics, deficit spending,
Platforms they did quake and tremor
When along came write-in runner,
Old ubiquitous Jesse Yesmer.

Jesse lost, but he fought hearty
And, to show them no hard feelings,
Went he to their vict'ry party,
Watched them there, a flock of lemmings;
Then, to show his true blue spirit,
Held his own so all could come,
But found it wise to charge admission:
Fifty cents, it was the sum.
The Summit Conference and the U-2's
Had our intellects discussin'

Regents over, toss the Barron's books
Upon the blazing coals!

But we're not through, for next year
We'll be battered on some other shoal.

BEARD. Let us pause here, a bit. There is one
aspect you have left as yet uncovered: the
realm of faculty. Have you lost all faculty to . . .

LEW. No, only some.

BEARD. Yes, yes, I see.

DAVID. Oh, calm down. Come on, mister, what
do you want now?

BEARD. Teachers, of course. Those noble educa-
tors who have devoted their lives to . . .

MEG. . . . organizing . . .

Unless you got around the track—

You would receive a minus ten.
Johnny in his elevator, selling papers—
How many of his passengers were fakers?
The lunchroom matrons, unsung, unspoken:
Gerty and Mrs. Anna Token—
Mr. Pollack, he built a 'lectric machine,
Mr. Kernan, he kept the Beacon clean;
Mr. Plotkin kept us "calculating,"
Dr. E. kept us debating.
Mr. Frank—preparing to retire,
Mr. Wigler—keeping the school wired;
Mr. Varone, always there but out of sight,
Mr. Colvin jealously guarding the literary light;

Our class was full of rivalry
And results of many races
Were disputed by our men of Honour
With slide rules at twenty paces.
Here we go getting inducted again,
Inducted again, inducted again,
Here we go getting inducted again,
At five o'clock in the morning.
In the teachers' room for lunch
We munched on brownies and guzzled punch,
Elected officers, took the pledge;
Soon the barrel we began to dredge.

We shall not be moved in Arista.

The LHS' publication,
History Honor's Satyrion,
Science Honor's oscillation
Drove us all into elation:
Administering tests and interviewing,
Plunging through the cry and hue-ing;
And many more began to whine
About staying in school till period nine.
Then winter set in
With a clamorous din;
It drove us into hiding . . .
A Senior's life
Is full of strife
While Board scores he's abiding.

Queens, Queens, glorious Queens,
There's nothing quite like it for
college it seems;
So follow me fellow,
Down through the jell-o
And straight into hell-o
At glorious Queens.

And while we waited with baited breaths and
Fingernails chewed and heads a-scratching for
The news, we resorted to that old
Habit and great American Institution, the
Party.

But the parties, the parties,
They're not the same any more, no more;
No more singing at open houses,
No more drunken-folk-carouses

Not much life but lots of punch
And all the kids you see at lunch
And also those who, sight unseen,
Return to visit us from Queens.
What price, this existence we must choose?
What did Hickey do to the booze?
Oh, the parties, the parties,
They say such things and they do such things
At the parties, the parties,
I'll never go there any more!
Sing a song of Chem lab,
A test tube full of lye;
Four and twenty students
Who worked from eight to five.
When the lab was over,
The class began to say:
What will happen when the A.P.
Comes around in May?

BEARD. Let me now say that, upon reviewing the statistics and records, I find your class to be quite passable. Nevertheless, if all these figures have been entered in your Domesday Book, the king will think well of you. And now, I must depart, for I've appointments to keep.

DAVID. And miles to go before you sleep?

BEARD. And miles to go before I sleep. Don't look sad, though; It's not *au revoir* . . . just . . . *adieu*.

Soccer Team

Rear Row, l. to r.: Richard Titus, Mgr., Mike Taussig, Danny Epstein, Norberto Massera, Steven Fried, Abe Reiss, Stephen George. Middle: Charles Ohana, Robert Beckett, Neil Yuran, Ohran Kunter, David Balboul. Front Row: Joel Meshi, Steve Silon, Danny Dabby, Amnon Kent, Yehuda Gelb, Mr. Raymond Doyle, Coach, (absent).

Varsity Tennis '60-'61

Veterans Oshinsky, Viccaro, and Satenspiel sparked the team to crisp, effective play, along with netmen Bronston, Heilbut, Schwerner, and Bronston. Captain Oshinsky utilized consistent strokes to eliminate his opponents in the first singles spot, while Viccaro (playing first doubles with Bronston), made use of a powerful forehand; Satenspiel as third singles man combining lightning groundstrokes and excellent net play to overcome his adversaries. Fine tennis on junior Ken Bronston's part in the second singles position proved to be a tremendous help to the team, as were the victories racked up by Heilbut and Schwerner in the second singles.

Soccer

Off to a fast start, F.H. booters vanquished Bayside four-nothing; Dan Dabby outmaneuvering, outkicking, but mainly outscoring anyone on both teams with an impressive three goals to his credit. Dabby seems to have been the mainstay of the team this year, for out of the next sixteen Tri-Color field goals, twelve were accredited to him. (Fifteen out of a total of twenty goals scored: not bad!)

It is evident, however, that this fine playing could have been accomplished only with a fine team and a fine coach; we had both. A potent defense coupled with a strong offense resulted in a 3-5-1 record. Don't let the figures mislead you, for every game with but one exception was hard fought to the finish. Norberto Massera, Mike Taussig, and Bob Becket were excellent on defense. Also turning in fine performances were goalies Mike Horowitz and David Balboul. Veteran Ronnie Koenig and co-captain Steve Silone exhibited flashy play, joined by newcomers Amnon Kent, Yehuda Gelb, Steve Fried, Dan Epstein, Charlie Ohana, and Neil Yuron, and Joseph Meshi.

Our second victory came against Van Buren whom we toppled five to nothing. Yehuda Gelb will remember this game; he booted in his first goal. Our three-three tie with East N.Y. saw Massera and Ohana record tallies also. A catastrophic loss for F.H. was to Cleveland: 10-0. However if one might allude to Friday the Thirteenth, the day on which the game occurred. . . . Our third win was over Richmond Hill: 3-0.

Injuries to Dabby and goalie Horowitz certainly hampered team play, yet in retrospect, the season was a fine one—in the eyes of Coach Doyle (held in high esteem by all), manager Richard Titus, members of the team, but especially the Hillite student body, who held and will hold a proud opinion of the '60-'61 Soccer Varsity.

Tennis Team

Standing, l. to r.: Bruce Satenspiel, Frank Viccaro, Henry Schwerner, Dave Orlinsky, Mr. Paul Haber, Coach. Kneeling: Kenneth Bronston, Richard Bronstein.

BASKETBALL TEAM

Standing, l. to r: Coach Mr. E. Conlan, Mgr. Fred Shakridge, Forest Garnes, Andrew Canell, Howie Drucker, Don Coscia, Jay Zises, Mgr. Bill Silber, Mgr. Mark Imberman. Kneeling: Larry Rivkin, Vernon Haley, Jay Warhaftig, Steve Chubin, Larry Leiberman, Barry Silver, Irwin Isser.

BASKETBALL

The Rangers had everything this season. They had an over-all record of 17-3; they set a team scoring record; an individual scoring record was made; they had a televised game; they played at the Garden; and they had injuries. . . .

A powerful team was the order of the season, as the hoopsters with their strong rebounding and precision shooting went on to crush Jamaica, thus earning them a berth in the P.S.A.L. play-offs at the Madison Square Garden. They wouldn't have stopped at the Garden either if Irwin Isser had not torn the ligaments in his leg; if Andy Cannel hadn't injured his wrist; if Howie Drucker hadn't sprained his hand; if Junior Garnes hadn't pulled a leg muscle. The minute difference of score in that last game against Bryant is only proof of the terrific battle put on by the Tri-Color.

All will remember the clinching game against Jamaica, where two F.H. scoring records were broken. Entered into the book was a mark of 100 tallies, beating the standing Ranger mark of 99 recorded in '57.

Steve Chubin, who had done just about everything during his three years on the Varsity, hit for 41 notches erasing Stan Needleman's mark of 35 set a few years back.

F.H. pride swelled as the hoopsters romped Van Buren 84-73 before the television cameras and an audience of two million. Jay Warhaftig, a sophomore who showed exceptional all-around performance, scored 32 points in this contest.

The roster was comprised of the following: Steve Chubin, high scorer for the team with an unstoppable lay-up and tremendous rebounding power; Irwin Isser, possessor of a fine outside shot; Larry Leiberman, the "Bob Cousy" playmaker of the Tri-Color; Andy Canell, a fine jump-shooter; Howie Drucker, a versatile, aggressive ballplayer; and Jay Warhaftig, a sophomore who bears watching. Others who saw action were: Don Coscia and Junior Garnes (both fine rebounders), Jay Zises, Barry Silver, Larry Rivkin, Vern Haley, and Mike Dunn.

SWIMMING

Tannenhauser, Brillson, Jacobson, and Rennin made up the freestyle relay. From time to time, Hirsch and Mahoney filled in relay positions. Hirsch, along with Turtle, are good speed swimmers, whereas Mahoney, along with Durante, specialize in the butterfly. Mel Katz filled the 200 yard freestyle position, while Roberts and Vodny both swam the hundred yard breaststroke. Tommy Freund and Jimmy Goldschmidt comprised our 50 yard freestyle bid, Goldschmidt winning all of his nine meets. Expert diving on the part of Brad Clinis helped the tanksters, with other participation from Les Haber. Rounding it out were Bruce Bayer and Harry Lutz.

James Goldschmidt won fifth place in the 50 yard freestyle in the City Champs.

Rear, l. to r.: Donald Burns, Steve Greiner, Spencer Cogen. Front: Darryl Reed, Dennis Lewin.

BOWLING

Wavering between the win-lose column, F.H. Keglers placed second in their Queens division, with a final record of six and four. Things looked promising as the Tri-Color crushed Flushing in the opener; captain Steve Greiner rolling a 252 and Bob Karp's 211. However, three defeats followed at the hands of Jackson, Jamaica, and Bayside, thus ruling out any chance for the City-Champs spot. The team is to be commended for the fine spirit and effort shown which resulted in a record of 4-1 out of the last five P.S.A.L. meets.

Mainstays on the varsity were Dave Siegle, Spin Cogan, Donald Berns, Dennis Lewin, Stephen Greiner (team captain), Bob Karp, and Darryl Reade. Reade, a junior, will be expected to come through with some fine bowling next year. Others who saw action were Larry Leibowitz, and Mark Lichtenberg.

The past season also marked the debut as bowling coach for Mr. Joseph Herschel.

FENCING

A team comprised mostly of rookies made up the F.H. Fencing Varsity of the '60-'61 season. Led by junior Bill Birnes (who fills the number one spot) the foilsmen achieved a record of victories and few defeats and managed to place first in the Queens Division.

At the first meet of the season, the High School Fencing Championships, Birnes placed fourth, but was victorious over Dave Kaplan (the final over-all winner from Clinton) in the final round. Others representing the Tri-Color at the meet were Steve Wolosker, Phil Zaretsky, Roger Cohen, and Marshall Lycsterol. Marc Brawer managed the team at these championship meets.

The latter matches of the season were with Brooklyn Auto, Snyder, Taft, and top-rated Jamaica. Birnes did well in his contests, as well as Marc Brawer and Steve Weinstein, the number two and three men respectively. In following contests, Bob Solaske, Neil Berelson, and Gary Jonas also participated.

Coach Victor Ritchie is looked upon as one of the finest fencing coaches in the nation, and although this year's team is a very far cry from the days of Gene Glaser and Marv Grafton, it is very likely that he will develop the potentials of the past season's foilers to much greater extent next year.

HANDBALL TEAM

Rear, l. to r.: Mr. Joseph Tuzza, Coach, Bob Weinstein, Marvin Kress, Myron Greenspan, Robert Friedman, Stanley Hyman, William Mattus. Front: Jeff Teitleman, Steven Beber, Harry Millman, Mgr., Barry Finkel, Robert Fischer.

TRACK AND CROSS-COUNTRY

Fine running was prevalent in the past season's edition of Cross-Country and Indoor Track. F.H. Cindermen copped the fifth spot in a field of forty at the Fordham Prep meet, and placed seventh (one of the better showings seen in the last few years) in the Queens Champs. Strong showings in the Bishop Loughlin and Cardinal Hayes meets, coupled with some fast relaying in the Metropolitan Junior, were evidence of the fine team Coach Sirota put together this past season.

Louis Long seems to have been a highlighter on the team, winning two medals and exhibiting flashy showings with his speedy running. Joe McAuley, a half-miler, put in a fine showing against Great Neck South. The Mile Relay was composed of Phil Daughtry (also the hop, step, and jump man), Paul Weisberg, Louis Long, and Howie Brous. In the half-mile relay, Mark Levitt (who also ran the 60 and 100 yard dash), Howie Brous (possessor of a fast 220 mark), Murray Vale, and Gary Luckman participated with speedy performances. Milers Johnny Newman, Jerry Litwak, and Jim Donnely, along with Tony Wilkonson (a sophomore who finished eighth out of five hundred in the 300

BASEBALL

F.H. batsmen, hampered by rain, made a fine showing in their beginning appearances of the '61 season. Led by Coach Chet Gusick, the erstwhile Queens Division III Champs seemed destined to repeat a performance like that of last season. Rugged ball handling, smooth base running, and good hitting were the order of the day.

The Tri-Color roster was made up of many veterans, as well as many promising newcomers. Among the veterans were: Mike Werner, a southpaw with a jumping fastball; Gerry Chasin, a fine third baseman with a dangerous bat; John Bly, a top-notch all around catcher; Co-Captain Ramsey Dabby, a flawless infielder; John Kolatch, a good defensive catcher; Co-Captain Howard Drucker, a familiar man in the first base spot; shortstop Steve Chubin, already in the record books in PSAL basketball; and two very versatile outfielders, Tommy Tanner and Roy Ageloff.

A fine pitching staff, molded by Coach Gusick, turned in some fine performances. Hurlers Jeff Small, Harvey Trachtenberg, and Mike Werner headed the staff. Aiding them were rookies Paul Grebinar, Steve Schwartz, and Larry Rivkin, all of whom showed tremendous promise. Other moundsmen were Dave Gordon and Ira Klein, both sophomores.

Adaptability was another great asset. Basemen such as Ronnie Rosen and Jordan Cayne proved themselves as catchers as well as at other berths on the diamond. Richie Drucker proved to be a valuable infielder. Com-

mendable showings were also rendered by outfielders Ethan Fishman, Darryl Reade, and Mike Frank.

Mention should be made to those who aided the Varsity off the field. They were: Mike Tapper, Manager; Louis Greenfield and Arthur Friedman, Senior Managers; Dennis Hevesi, Assistant Manager; and Junior Manager, Bill Singer.

Song — "Alma Mater"

Tune — Second Movement of Pathétique Sonata

All: Early on a winter morn
 As the sun reached to the sky
 Far above the hill was heard
 A school's awakening sigh.
 How clear, how clear
 They sing, they sing of friendship warm
 At Forest Hills, at Forest Hills
 Where the first strong ties were born.
 Far beyond the setting sun
 We have pledged in days to come
 Far beyond eternal bond
 In devotion fond.
 How clear, how clear
 They sing
 They sing of friendship born
 At Forest Hills, at Forest Hills
 Where the first strong ties were born.
 Forest Hills
 In harmony we praise
 The story of your glory
 Bounding each succeeding page
 This we take
 As now we bid farewell
 Every chapter echoes after our story
 Done Forest Hills

Third Sing

Tune: "I'm just an ordinary man"

I'm just an ordinary man,
With ordinary nerves.
But let those Seniors in my life,
They bring me nothing less than strife,
They will loiter till all hours,
Then they sing me hearts and flowers.
Why did they ever let those Seniors in my life?

Tune: "On top of old Smoky"

He's always behind us,
We're never alone.
A tall skinny stranger,
They call Sarge Varone.

Tune: "Ball in the Jack"

First you club your lady on the head,
Then you pick her up before she looks too dead,
Drag her across the floor until you find a spot,
That's the Brontosaurus, 'round the floor-as, Tyrannosaurus
Trot.

Tune: "We love you, Conrad"

We love you, Milton
Oh yes, we do,
And if you're good to us
We will be true.

Tune: "High Hopes"

Forest Hills was built for a few,
Through the years the school grew and grew,
Nobody knew it would get to look like Bellevue.
Cause it is crowded, over crowded.
They got more students than they're allowed.
The population's on the rise,
What a big surprise,
They got more gals than guys.
Whoops, here comes another sophomore,
Whoops, here comes another juvenile,
Whoops, here comes another flunkee, kerplunk.

Oh, I am a feller,
SAT'S are in the cellar
With an average that's lower than low,
To me you offer Colgate, then say don't try it's too late
Oh you can't get to college with advice
Your advice,
Your advice, no, you can't get to college with advice.

If you're undecided, please do not get excited
Send for catalogues etc.
Don't go to your adviser
And you'll be all the wiser
'Cause you can't get to college with his help.

Chor: Right here in Forest Hills
Pros: Gotta figure out a way to keep the Senior's
spirit after school. (Chor. keeps repeating
"trouble" while prosecutor speaks)
The case of the state versus the Seniors of
Forest Hills High School. Do these kids deserve
to graduate in June? Are kids who hang around

Tune: "Walk up the Avenue"

We would go to the movies, but we haven't got the fare.
We would go to a friend's house, but we aren't wanted
there.
We would talk on the telephone, but our parents just
object.
So we go to the Avenue,
Yes we go to the Avenue Friday night.

Tune: "Ya' can't get a man with a gun"

Answers to our letters, are never any better
Than I'll see you sometime next year.
You tell us not to worry, but apply there in a hurry
Oh, the schools won't accept us, we fear
Won't accept,
Won't accept, Oh, the schools won't accept us we fear.

My average, it is 80,
I haven't read Greek Plato,
At what college do I belong?
My first choice is Princeton,
But that college you winced on
And suggest that Radcliffe is the one,
Go to Radcliffe,
Go to Radcliffe, you suggest that Radcliffe is the one.

Continental to all hours worthy of going to col-
lege in the fall? Are words like "like, gonna
have a blast and you know it," creeping into
their language? Well, if so, my friends, we've
got trouble.

Chor: Oh, We got trouble
Pros: Right here in Forest Hills
Chor: Right here in Forest Hills
Pros: With a capital T that rhymes with C, Continental

Pros: We surely got trouble

Tune: "Telephone Hour"

Did you hear about Mr. Tuzza's mustache?
Did it really get shaved?
It was really quite old
It should have been saved
Cause his upper lip's cold !!!

Did you hear about Mrs. Keyes?
She gave me an "A"
They say miracles come
But not every day !!!

Did you hear about Miss Hoar?
I just knew it somehow
I must call her up,
I can't talk to you now.
If you gotta go
That's the way to go
Forest Hills, Forest Hills, Forest Hills, we talk on the phone
Forest Hills, Forest Hills, Forest Hills, we talk on the phone.

During the war the birthrate soared,
Everything else was really ignored,
The country was working, toward a mass production award.
The years have passed, and at last,
The war babies have grown up real fast.
We know they are not to blame,
And it's such a shame,
Someday we'll do the same.
Whoops, here comes another sophomore,
Whoops, here comes another juvenile
Whoops, here comes another flunkee,
Kerplunk . . . Kerplunk.

What do you say, Mr. Fink?

Was it rigged, Mr. Harrigan?

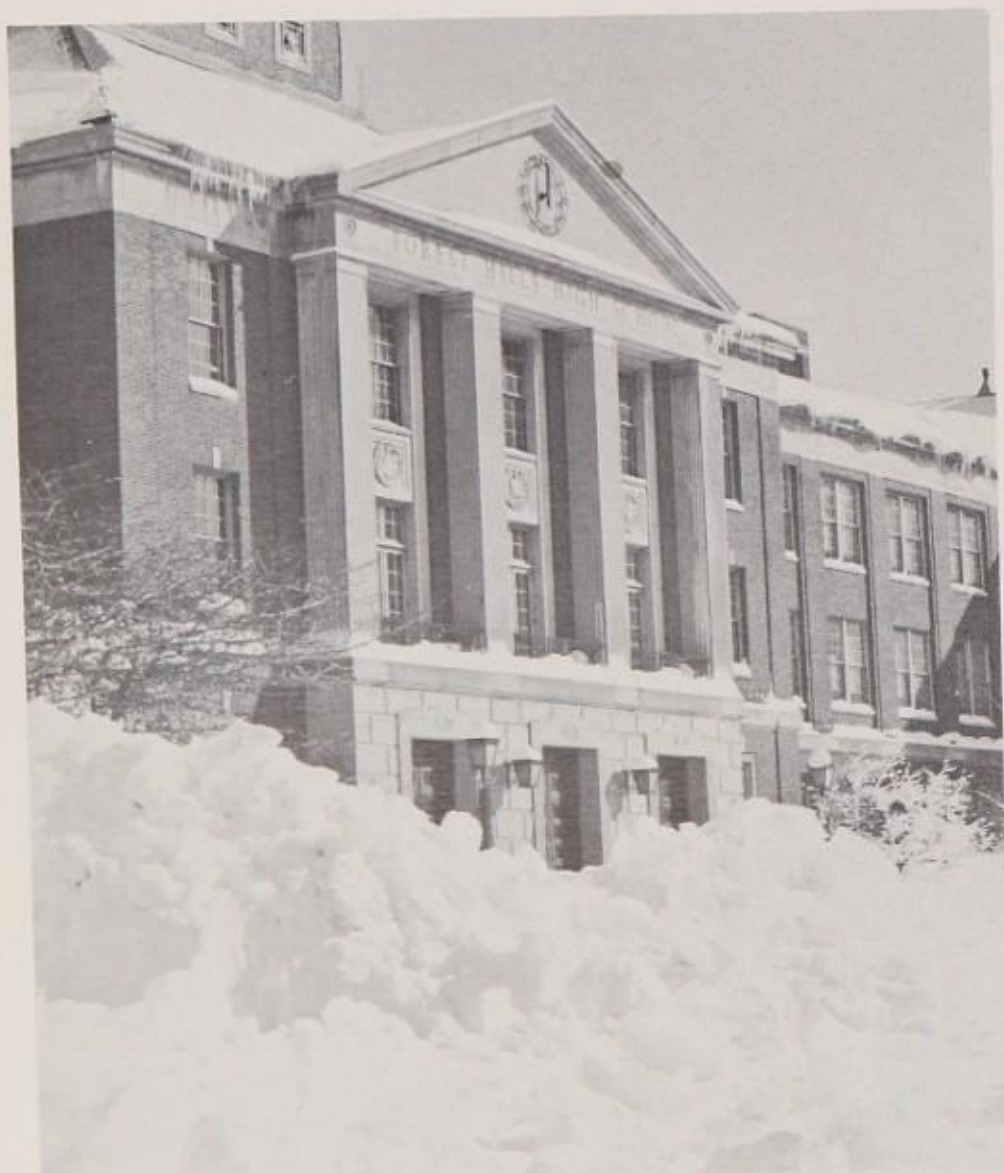

Tune: "Mr. Clean"

Mr. Fink gets rid of naughty words
And ranks in just a minute,
Mr. Fink will cut your whole script
And everything that's in it.
When you think you're gonna win the sing
And have the script to do it,
Mr. Fink will spoil your every hope
And say you won't pull through it.
But when at last you've won the sing
And have the prize sublime,
Mr. Fink will simply shrug it off
He knew it all the time.
Mr. Fink Mr. Fink Mr. Fink

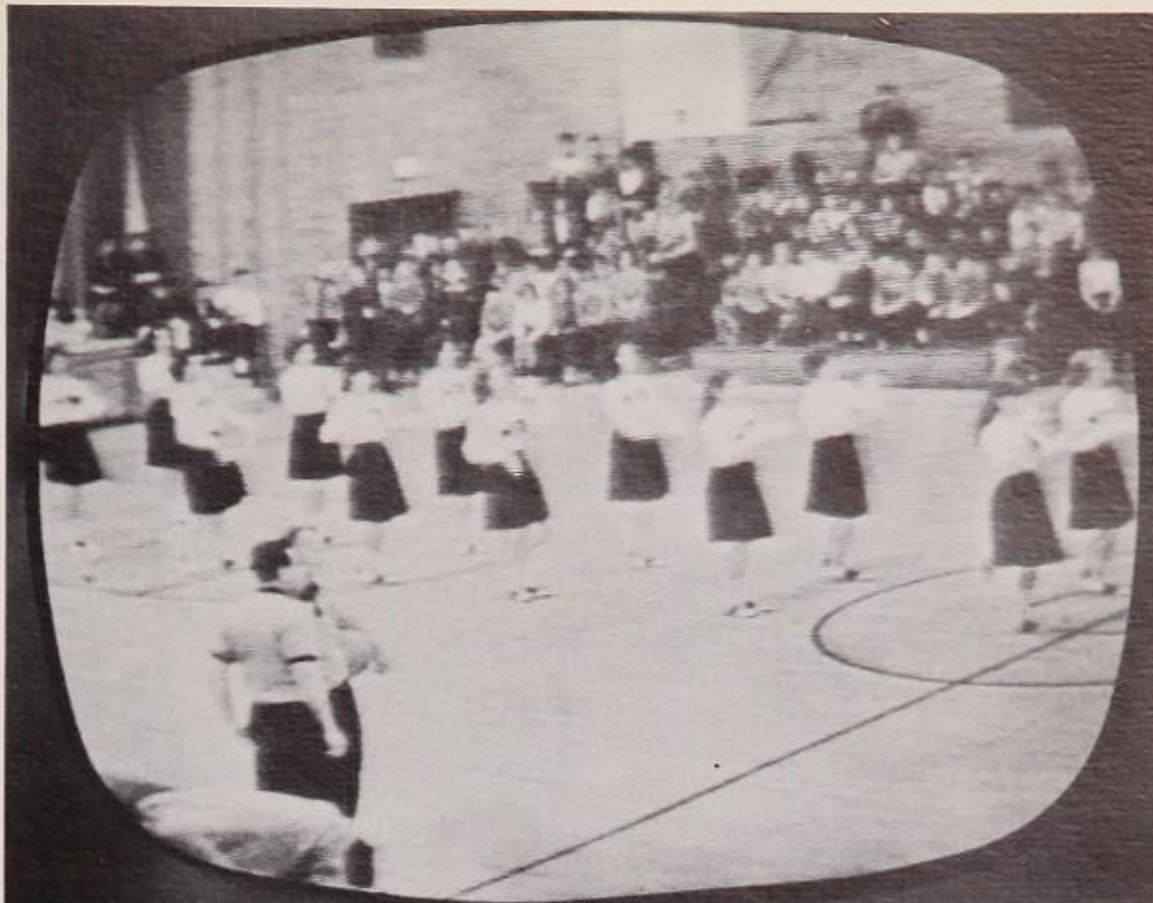

Vic Tanny's or Girls' H. Ed?

Blizzard of '61.

A month later, the thaw.

Flashbacks.

"Owing to a break in the water main, seniors are excused for the day!"

Mr. George Schwartz "on leave" to Colorado for a consultant's assignment in biology curriculum.

FEBRUARY

Wednesday, 1. We are now "final candidates," we hope, for June graduation.

Friday 3. Radio reports "feet and feet of snow moving toward N. Y." That, plus a record breaker of two weeks of below freezing point weather. Will there be school?

Monday 6. NO SCHOOL! How could there be with over 17" snowfall? 10 to 4 for Tuesday and Wednesday. Even the Seniors are howling at the loss of time . . . Is it believable?

Tuesday, 14. THAW!

Wednesday, 15. BB Quintet visits Garden to play Bryant in Play-off prelims. Bryant won this one, 59-51.

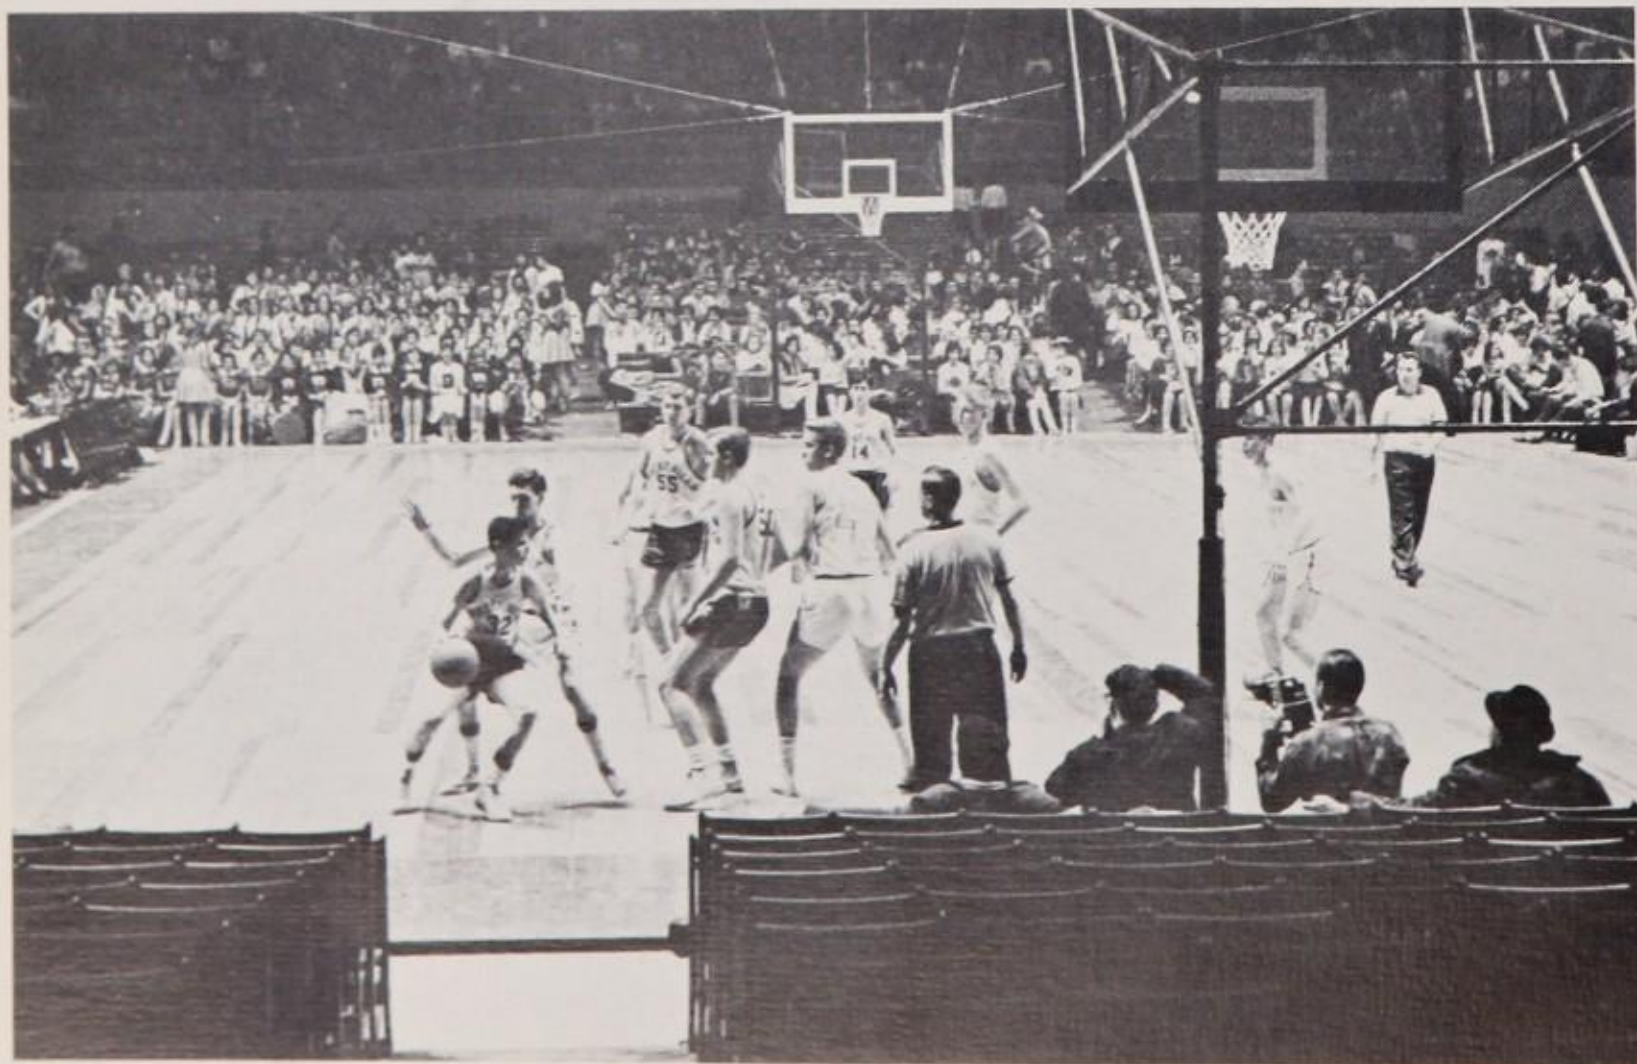

Feb. 20. Early signs of Spring after a week-end of thaw.

Feb. 22. We wonder what Washington would have said about "school today?" Humph!

Did he make it?

At the Garden.

Mr. "C" smiles, "We must've been ahead."

"Looks like we lost the lead . . ."

FORESTER editors visit printers to inspect progress.

"Maw thaw?"

EISNER II

If he only knew—School opens on his birthday.

MARCH

The month of the Ides — What do the Fates predict?

Wed. March 1. BEACON's first Spring issue gives scholarship winners full page spread. What a Haul!

Wed. March 9. Seniors tote the long-awaited Senior hat. We give it ten days before they become relics.

Tues. March 14. If it be not snow by the ton, it be rain by deluge. First report card of the season. Beware of the Ides of March! Dr. Ryan returns from a siege with the surgeon, in fine fettle!

March 15, 16 — A Roman holiday for our photographers who portray the teams, clubs, societies and extra-currics.

March 17 — St. Patrick's Day and 18° temperature after some mild weather.

March 20. The Spring equinox makes it official . . . with the buds, the bugs, the bees, the boys and the girls.

March 23rd. Too soon. Today we had rain, sleet and snow.

March 24th. Seniors get another day off while Sophs take tests.

March 27th. Our adviser's birthday! We give the book to our printer!

The month closes with Parents' Afternoon, Holy Thursday and Good Friday — Easter holidays until April 10th.

Adviser J. Roemer gives seniors social counsel.

Seniors mull over the suggestions.

Seniors get measured . . . for what??? In the meantime . . . life goes on in sprightly fashion.

X Country at Van Cortlandt Park . . . Watch our man!

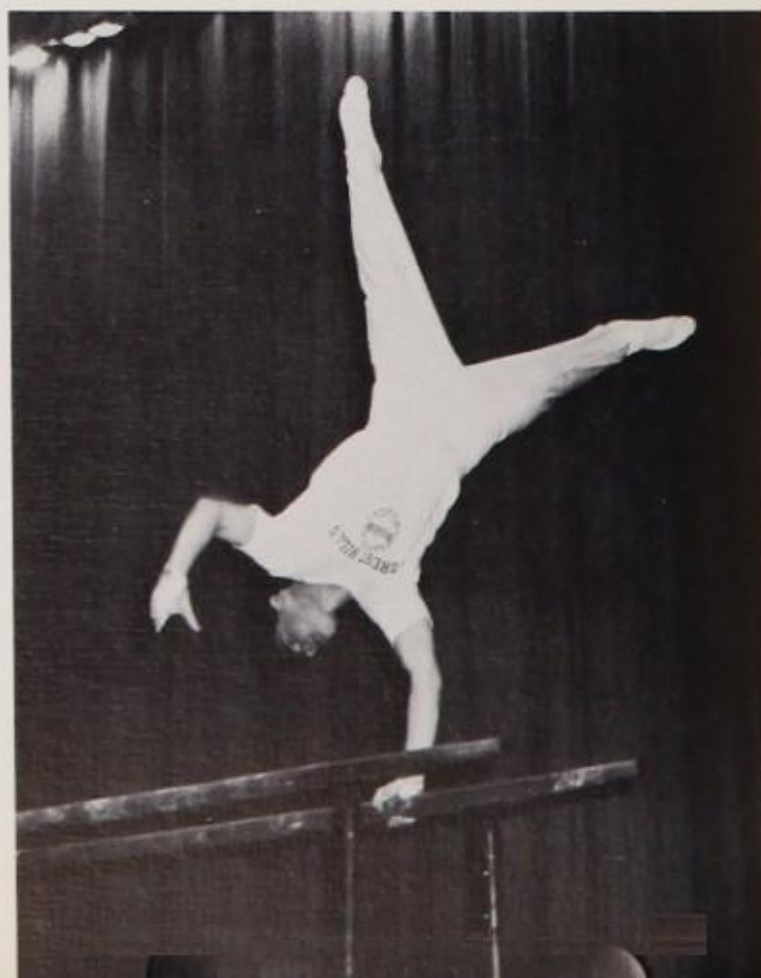

Our Dance Band strikes it up!

A lab student blows a glass bubble!

A star gymnast performs on the ———— bars.

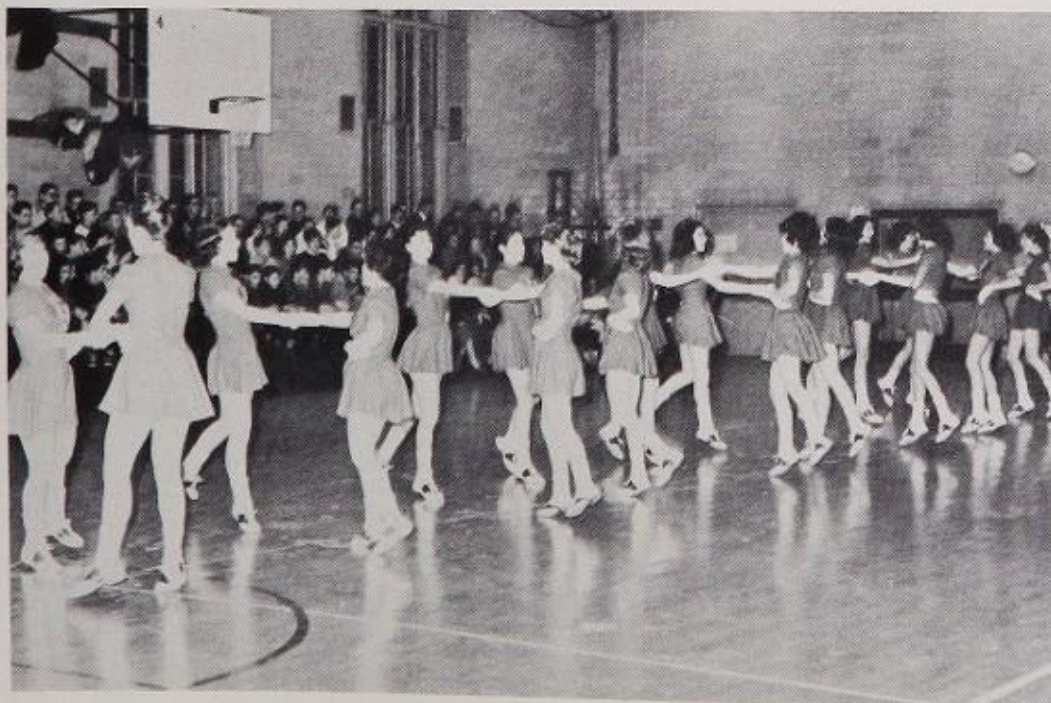

While others read in the library . . .

Others in the girls' gym.

Others in the boys' gym . . . what's up there?

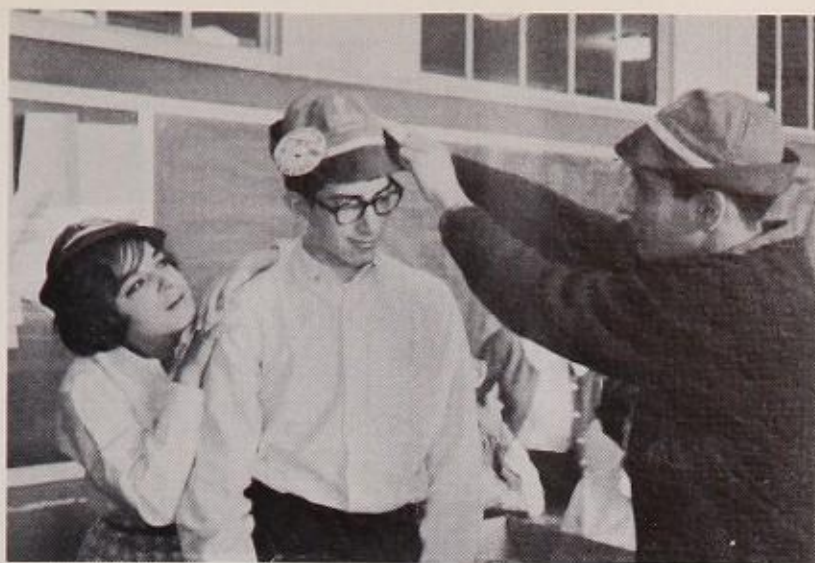

And the Cheerleaders practice dancing.

No. We haven't forgotten "It might as well be Spring!"

"Kill the ump! Oopsl It's Mr. Runge throwing out the first ball. Whoopeel"

Trying it on for size.

Only Steve Farber wore his to cover his mowed crown.

We sauntered around and found Dr. Entin as Acting Chairman of the Social Studies Dept. talking to Carol Schor about her award. . . .

And Mr. Carter explaining all in the G.O. Office.

And the Treasurer's Office "Getting and Spending."

And Dr. Ryan at his desk.

So we asked him to pose for this shot.

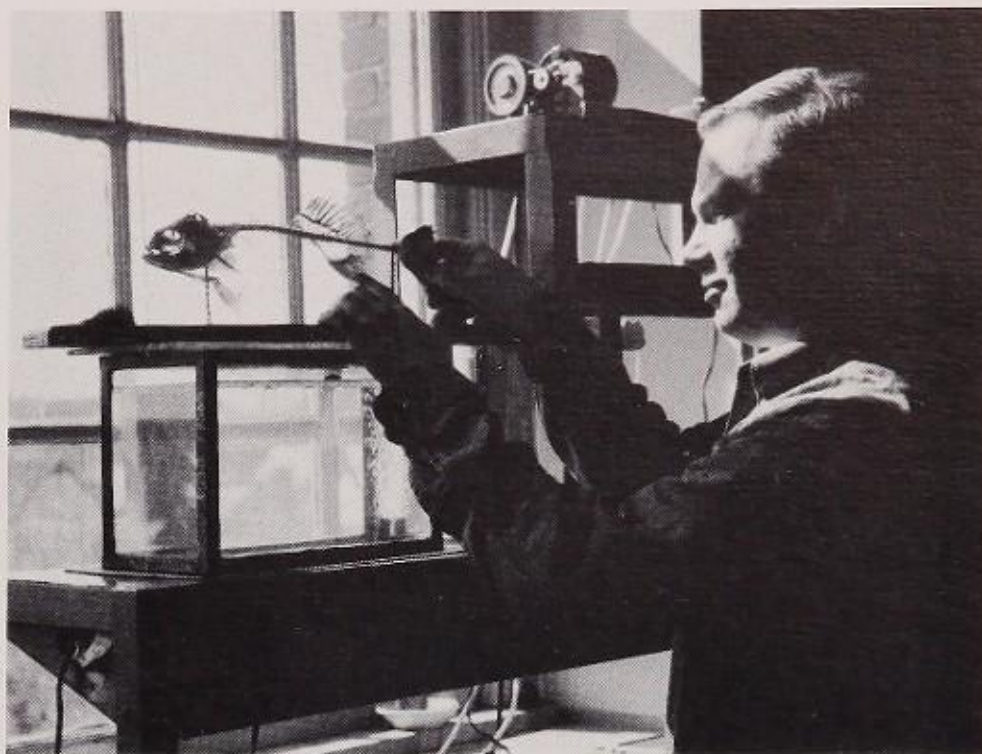

And as we looked, we found Mr. Miller and the General Office Staff working on College Records.

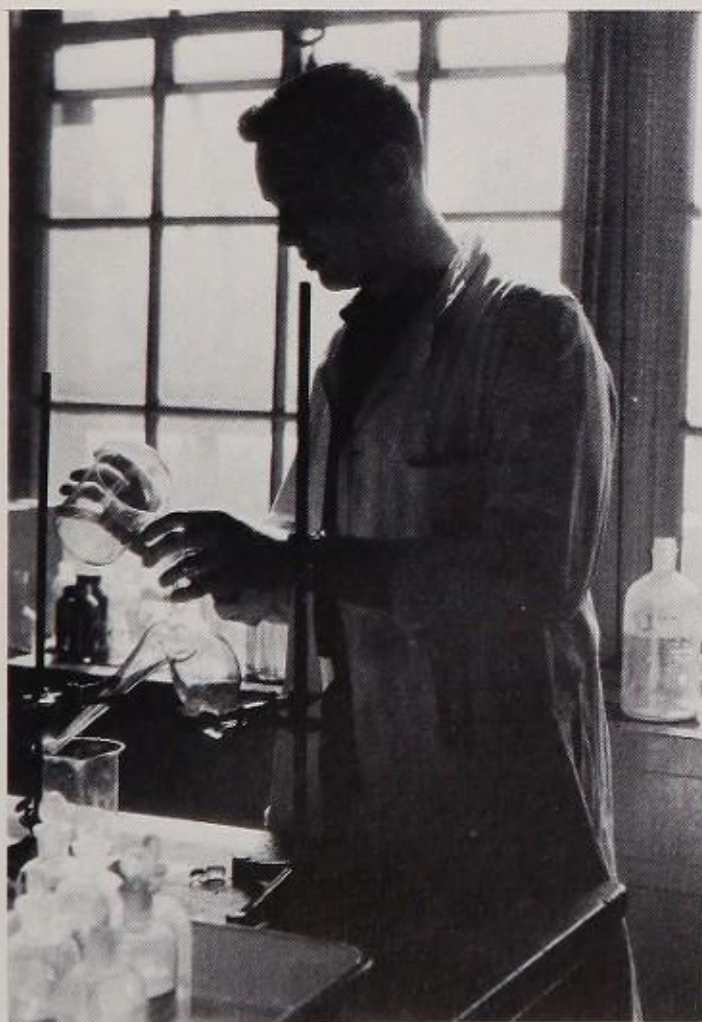

"ACCEPTED!" Ipse dixit!

So we tripped up the stairs to the labs

And saw Fred Racenstein with a fish bone . . .

And

pouring from one to another . . .

And

recording his findings.

The sun was out so we spoke to Officer Phil O'Brien, Guardian, friend and Constable.

Take heed, Seniors.

APRIL

10th. Everybody returns to school after a ten day sojourn.

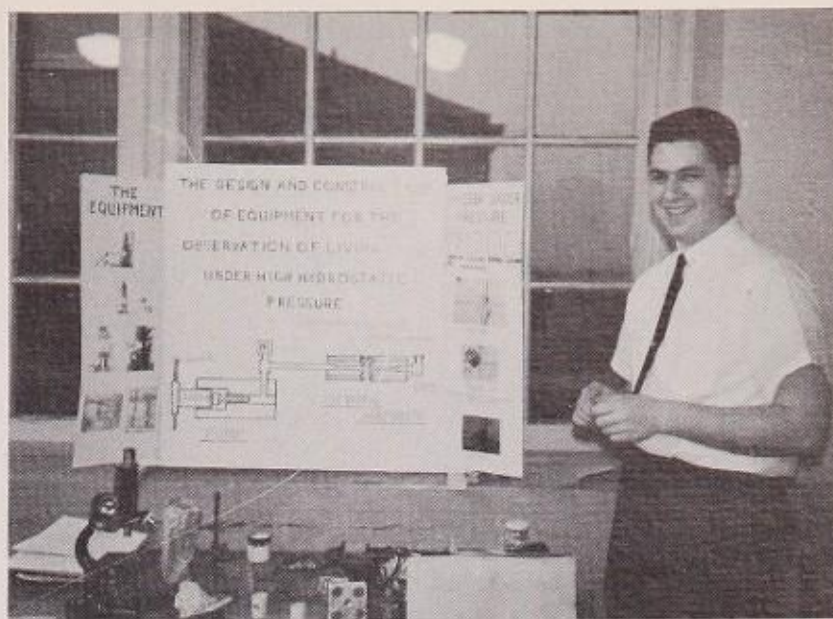

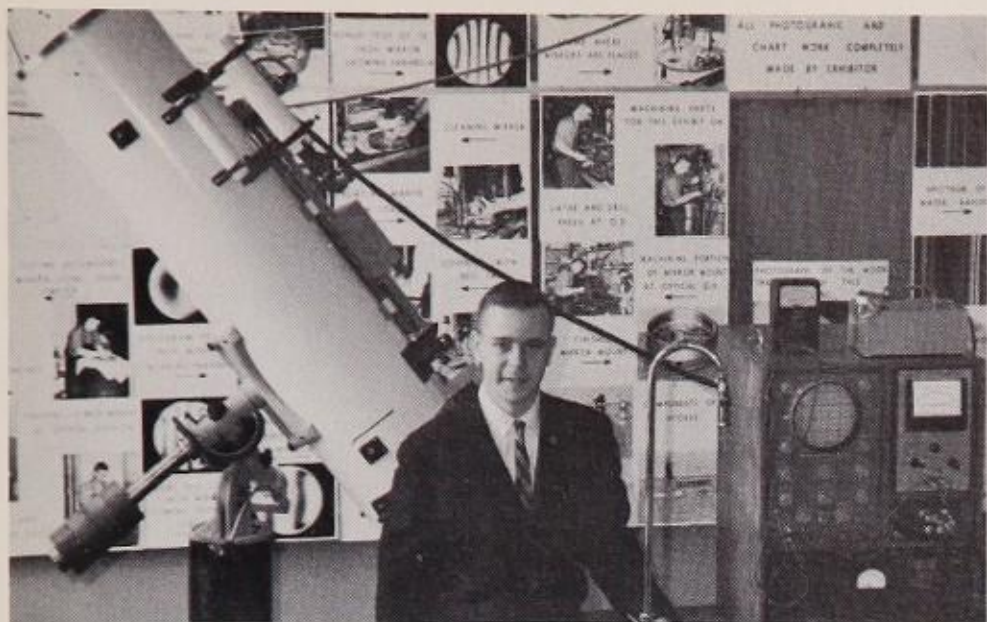

Mid term tests confront returnees during the first week.

12th. Russians confirm orbiting of man into space and his safe return to earth. Seniors still orbiting, no sign of return. . . . Baseball orbit confounds Yankees in 1961 inaugural

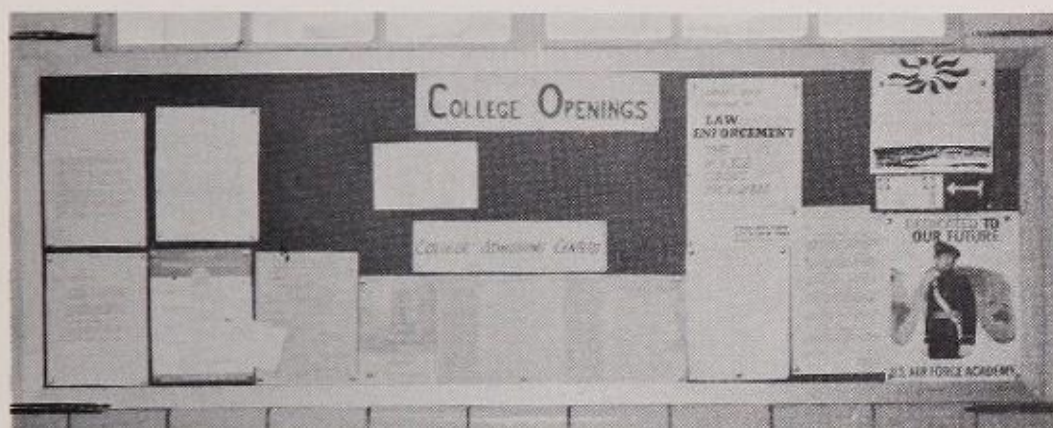

13th. If it be not snow or freeze, it be torrential rain and dreary days. Come what may, we'll have sunny weather on Commencement Day. What d'ya say, Dr. Ryan? Annual Science Fair at F.H. spreads over an evening and a day.

Rockets and missiles or ways to improve living?

19-21 G.O. presents its annual VARIETY SHOW to parents and three assemblies News of Cuba, Laos and other world tensions cloud horizon. . . . "You Can't Take It With You" get first lift to ceiling heights in lobby as Play Pro prepares for its annual production on May 5 and 6.

Bobby Fischer and Richard Faber win Science Fair Awards.

MAY

FORESTER GOES TO PRESS AGAIN. Next stage, the page proofs. Every senior who desired to be in our "Rogues Gallery" is in it. Who were the "camera shy?"

Time runs short as Spring and the sun begin to warm the scene. Seniors are notified of college acceptances, some rejections and the customary indecisions.

May 26. Music Festival already sold out.

One month to do, Seniors ! ! ! !

Howie still running with a patch on his nose.

PARENTS:

have you compared the cost of education loans?

You owe it to yourself to compare loan costs with the cost of the Insured Education Loan Plan of Manufacturers Trust Company.

For example, a four year, \$4,000 education loan from Manufacturers Trust costs only \$143.84.

A Personal Credit Counselor in any of our banking offices will help you borrow from \$300 to \$10,000—to finance education at any level—from primary grades to post graduate or business schooling—and for one to four years. You can take up to six years to repay.

Your life is insured at all times for the unpaid balance, thus assuring that the education of your son or daughter will be continued.

Before you borrow, come in and talk it over with one of our Personal Credit Counselors. He'll be glad to arrange an education loan for you. One of our 119 banking offices is very near where you live or work. 75 of them are open Monday evenings 6 to 8 p. m.

Typical Manufacturers Trust low-cost education loans
